Author: Mandy Hobart  
CASPIAN SCHOOL OF ACADEMICS

## Key Principles and Expectations.

The Student Code of Conduct sets out expectations as to what constitutes appropriate behaviour for students enrolled at the Caspian School of Academics (CSA). It is important that all students understand that by enrolling for a course, they are agreeing to comply with CSA rules. No form of harassment, discrimination or sexual misconduct will be tolerated and any such behaviour may result in disciplinary actions being taken and, as appropriate, reported to external authorities including the police.

### A. Student behavioural expectations

1. All students are expected to be **considerate** to the needs of other students, staff and any visitors to the School.
2. All students are expected **not** to engage in any form of misconduct, which is intended or likely to disrupt teaching, learning, study, meetings, examinations, administration or other activities undertaken by or within the School. This also applies to activities held by CSA outside its premises and online. Where students misbehave, disciplinary action may follow.
3. All students must comply with and respect the rules of programmes including those relating to intellectual property, completion of assignments and attendance.
4. Students are expected to treat other students and staff with dignity and respect, and under no circumstances to engage in harassment or sexual misconduct which violates a person's dignity and creates an intimidating, hostile, degrading, humiliating or offensive environment.
5. All students are expected to respect the property of the School and not use it for any unapproved purposes.
6. All students are expected to only use social media responsibly. Any use of social media to make statements which would reasonably be considered offensive, discriminatory, defamatory or personally damaging will be followed up and the author subject to the School's disciplinary procedures. Further, legal action may also be taken as required.

### **Behaviour in lectures, workshops whether online or face-to-face sessions.**

Students are expected to act in a respectful and appropriate manner at all times. Students should ensure that they:

- arrive in time for the start of a lecture/session as late arrival is extremely disruptive to other students
- when arriving after the start of a class, enter quietly so as not to disturb other students. Students who arrive **more than 20 minutes after the start of a class will be marked as late and after 30 minutes may be excluded** and only admitted after the mid-class break, and will be marked as absent (unless otherwise agreed)
- do not disrupt a lecture or training session or interfere with other students' ability to benefit from it

- do not consume food or drink in class, other than bottled water
- ask permission if they wish to tape lectures.

### **Compliance with regulations and legal requirements.**

All students must act in accordance with the law, and School regulations. The School does **not allow or tolerate**:

- use foul or abusive language or disruptive behaviour
- bullying of any kind and any evidence of bullying, including cyber bullying, will result in immediate disciplinary action
- harassment or sexual misconduct towards other students or staff
- posting of insulting, defamatory, obscene, extremist or threatening content onto social media and online communications including texts and emails and which challenge British Values
- smoking in any part of the School. Smoking is only allowed outside in designated areas

- any non-prescription drugs or alcohol onto School premises and any student who is under the influence of any drugs or alcohol may be required to leave the premises.

### **Behaviour in the School Neighbourhood.**

The School seeks to build good relationships with its surrounding neighbours. Students are expected to:

- help us build on these relationships through their conduct
- be considerate to their neighbours, especially regarding noise levels and rubbish
- act within the law and not engage in activity or behaviour that is likely to bring the School into disrepute
- be aware that incidents involving local residents may lead to police action.

### **Off Campus Activities.**

There are opportunities for students to undertake activities that will take them off campus. These include external trips and visits as well as work-related learning activities. Any student engaged in a course-related activity is seen as representing CSA, even if not formally doing so. During these activities students should adhere to the rules of the venue, of the transport companies and where appropriate any other outside organisations involved in the activity.
